United States of America,

Plaintiff,

v.

Channon Somee,

Defendant.

**Stipulation to Continue Status
Check**

(Second Request)

The Parties enter this stipulation to continue the status check currently set for August 7, 2025, for at least 60 days. The Parties enter this stipulation because:

1. The revocation petition contains new-law violations that are the subject of a case currently pending in state court. The state case has not resolved and likely will not resolve for at least 60 days.

2. Mr. Somee is not in custody and agrees to the continuance.

3. The Parties agree to the continuance.
